Sinuous sinuses

Precipitates populus

Vision - aegri somnia

False smiles - hogwash

Headache

Road kill

Bellyache

Legislature legislates
Incumbents to victory
Perverse politicos
Populate history

Politicians kiln
like cracked pottery
Ought to
Pick them by lottery

Sledding in snows
Of New England charm
Holding one's nose
Iowa hog farm

Limit campaignin'
To six weeks
Three for primaries
Three for keeps

Media time
Free - exempt
Familiarity
Breeds contempt

Fire burn and caldron bubble
Eye of newt - and toe of frog
Wool of bat - and eye of dog."*

Fiscal conservatives
Frugal folks - you - me
Currency conservatives
Bankers - brokers - tradin' free
Religious conservatives
Chainin' ladies to a tree

In and out of water hot
Semi-aquatic salamander
One hundred days of future shock
On Gregorian calendar

Surfin' political history
Missin' third wave
Finessin' secular conservatives
Balanced budget save

Intelligent articulate glib
Attackin' this and that
Quos deus vult
Perdere prius demantat

*"Finger of birth strangled babe
Ditch-delivered by a drab
By the pricking of my thumbs,
Something wicked this way comes."*

Fairness lost in fray
Anger half truths laughing gas
We elect one jackass

Doctors - Lawyers - Bureaucrats

Old-fashioned country lawyer
Spittoons on floor

Horse and buggy doctor
House calls at door

County clerk serves
Diligently a-score

Cost of services
Rise to sky
Value adds
Everything we buy

Lawyer executes trust
Plaintif - bust

Doctor checks a-body over
Buy one new Land Rover

Each political Fall
Taxes build new city hall

Lawyer's clock
Only hours

Doctor's fees
Laboratories - hospitals - specialists
Off our feet
Down on our knees

Bureaucrats - wondrous bunch
Wait in line
They eat lunch

Doctors - Lawyers - Bureaucrats
Sing songs known only to bats
Smitten of Latin - obfuscatize
Hide guilds from pryin' eyes

Doctors - Lawyers - Bureaucrats
More lives than nine cats
Compose own music - so to say
Hide from light of day

Behind iron gates - clatter of cats
Country Club livin' - afternoon tea
Point - set - match - verse - melody

Genetics

Listen up - nay special favors
Nay human sacrifice too

You - me we're brothers
Genetically I'm you

Stood upright in Africa
Mother of all humanity

Her genes - in all of us
Doubt it - insanity

Chased out of Scotland
Ireland - England - Wales

Climbed many a tower
To escape a Viking's sails

Fought at Concord Bridge
Catholic through and through

Religious persecuted Protestant
Indentured servant - too

Listen up - nay special favors
Nay human sacrifice too -

A victimless society
Genetically I'm you

Buba Dubbal

Without limits nay curb excess
Social graces a morphologic mess

Without limits licentiousness grows
We be wearin' a new suit of clothes

Swingin' in trees
Ripping Levis at knees

We be Buba Dubbal man
One sloberin' orangutan

Pants hang down - crotch at knees
Our peers we do please

Nay shave - all stubble
Pug ugly as Buba Dubbal

Nay wear coat - tie to game
Nay wear sneakers without a-name

Nay wear shirt over tank top
Nay tie shoes - slop - slop - slop

Out of step - we shuffle
Out of words - we muffle

Nay see society as others do
Buba Dubbal - we be you

Manatee

Ocean - lagoon - river
Fish long gone

Nets thrown at night
Steal remainin' spawn

Boats - motors roar
Loud - fast - free

Plowin' sea grass
Harmless manatee

Drug markets flourish
Caterin' foolish young

Constables chase cars
Nudists under sun

Preachers on sidewalk
Picketin' Route One

Harassin' a clinic
When God's work to be done

Ol Rip Van asleep
Another score - or more

Comes to life
On our euphoric shore

Would he understand
Within his field of view

Boys on beach
Wearin' ear rings
Bloomers

Girls on street
Wearin' combat boots
Tattoo

Lewis Carroll
Wrote 'bout folks
In enigmatic style

"'But I don't want to
go out among mad people'"
Alice remarked -

'Oh you can't help that'
said the [Cheshire] Cat
'we're all mad here'"

Zone

Conscious - concentratin'
On task at hand

Doin' without thought
Subconscious makes a stand

Put it all together
Mind - body - one alone

Thoughts will hit all net
When we're in the zone

Mind empty of distraction
Trained to the task

Practice - practice - practice
Give all one can ask

Don't force performance
Mind - body out of synch

We'll slice it to the right
Compose a Mahler clink

Crouched near waterhole
Legs crampin'
Get up - get down

Basic instinct
Mind alert
Body relaxes

Antelope comes

Wait - wait - wait
Its head is down

Rise slowly - slowly
Throw spear
One motion

Nay aim
Imagine
Path

Spear strikes

Dancin' tonight

Walnut wooden frame

Armrests worn - comfort
Rocking chair - yang

Made by Father
Of Grandfather

Passed on - Son
Grandson

Grandfather passed
Chair came to stay

Recane - shellack
Father didn't want it back

Travel overseas - twice
Grandfather would have thought

Hawaii nice

Nay sit in it

Grandfather's chair

Grandfather passed there

Drum

Left farm in sixty one
To young to tote a-gun

Lee's Army of Virginia
Heard his rat-a-tat drum

Drummin' through Shilo
Second battle of Bull Run

Drummin' along Shenandoah
Rat-a-tat - rat-a-tat drum

Joined young Custer
Golden locks - tall

Chased Mosby's Raiders
Through Shenandoah fall

Captured on a winter's night
Under Newmarket tree

Rebel lieutenant paused
Set the drummer free

Return to father's farm
Stowed drum away
War had lost its charm
Went outside - play

Rat-a-tat - Rat-a-tat

Moonlight and Roses

Sweat pours down
Inside hat crown

Cemetery - a strange place
To christen highway Rainbow

Hot - humid summer day
Graveyard nay place to go

March through cemetery gate
Muffled drums - funeral blight

At grave of Rainbow Brigadier
Colonel led Doughboys in prayer

Hotter than Hell in a coal bin
Played Moonlight and Roses for him

Colonel jumps up - gives a shout
"Brigadier can hear - he's stirrin' about"

Moonlight and Roses - again

Moonlight and Roses - again

Sweat pours down
Inside hat crown

Moonlight and Roses - again

Reunion

Most feared words
Age seventy-one
Class Reunion

Invitation came
With winter's snow

Everyone's goin'
Wouldn't you know

Religious school
We went to

Left of Lenin
Sad but true

Humanities - History
Gone astray

Political correctness
Wins the day

Pockets empty
After tax

Head's bald
As Uncle Max

Body saggin'
Worn with age

Mind frozen
A blank page

Last attended
Age sixty-one

Didn't know
Anyone

Should I go
Stay away

Play guess who
Look at backs

Suit's tight too
With the fats

Plenty to fear
Can't down beer

Stomach fine
Drinkin' wine

Lonely - abandoned
Center of town
Searchin' for Bonnie Blue Gown

On pavement for hours
Windy - cold - damp - mutter
Nothin' found
Searchin' gutter

Wander side street
Narrow as Appian Way
Chased by gang of hooligans
Not outside to play

Broke into sprint
Ran for nine lives
Cut across empty lot
Back broke out - hives

Leanin' on a-lamp post
Grinning Cheshire-Cat smile
Bonnie Blue Gown
Been here quite awhile

Seasons

Spring's song
Sung
Spring's hope
Young

Spring's a-new
Love - desire
Spring's rain
Quenches fire

Spring's happiness
For long in tooth
Spring - trampled
Misspent youth

Summer's a-comin'
Clowns do a-prat
Summer's a-comin'
Sun's high at that

Summer's a-comin'
Promise land a-gold
Summer's a-goin'
Brought a-tale old

Summer's a-goin'
Dyin' fast
Summer's a-goin'
Clowns grown fat

Fall floats in
River raft
Scattered leaves
Fore - aft

Fall sneaks
Nature sleeps
Floats softly

Fall slips 'way
Big river
Harbinger winter
Makes one shiver

Winter's hard
North winds blow
Winter's soft
White with snow

Winter's sport
Youth grows bold
Winter's dread
One is old

Winter's new
Skies swept clear
Winter's gray
Death draws near

Seasons ebb - flow

Lazy in spring

Quick with snow

Woodchuck

Woodchuck scurryin'

Sky scarlet red -

Storm clouds buildin'

Oer family homestead

Grandfather farms with horses

Border collie at his side

Barn full of new mown hay

Places to seek - hide

Hams hung in smokehouse

Chickens free - roam

Cozy farm home

Government subsidizes crops

Prices drop

Every time those folks meddle

Farm loses half its stock

Hogs go first - bacon

Hams from rafter

Horses next

Chickens follow after

Lease land to Uncle Sam
Farm work's scrabble - hard

Government has bottom land
Farmer - just a yard

Where Percherons and Clydesdales reside
Stalls stand empty of Maude - Sandy - Clyde

Windmill wobbles at its best
Where chickens - geese rest

Barn's been empty for quite a spell
Grandfather passed away

Took many a year
fore' a woodchuck came to stay

Barn doors hang to one side
Woodchuck found a place to hide

Likes to sun on top a-mound
Border collie nay 'round

Water trough's empty
Cracked concrete sides

Windmill busted - rusted
No more wild rides

Miss hickory fired smokehouse
Grandfather's sugar cured ham

Now food is store-bought
Government can't farm worth a damn

Woodchuck scurryin'

Sky a-scarlet red

Storm clouds buildin'

Oer family homestead

Kitchen

Kitchen is a-farm's life
Windows wrapped 'round

Cast-iron range - mighty warm
Snow is a-comin' down

Cast-iron range double oven
Modern miracle under sun

Back burner cooler'n front
Where a-sayin' comes from

Cast-iron range fired up
Glows dark cherry red

Reservoir - hot water
Wash-up at homestead

Steam rises oer' reservoir
Bran simmers on top

Pantry packed - summer's crop
Pickles - beets - tomatoes

Hams hang from rafter
Burlap sacks of potatoes

Cured bacon ready to slice
Coffee beans - grinder

Christmas fruit cake - half eaten
Grandfathers dandelion wine

Grandfather goes to town Saturday night

Smokes a-weekly cigar

Kitchen cabinet door on right

White candy sack - Sunday light

Family gathers daily

'Round kitchen table

Parlor - Sunday guests

Wasn't long 'fore

Cast-iron range wore out

Kitchen seems empty

Electric stove about
